ORDER

Now pending before the court is the United States's renewed motion to compel (doc. # 33) filed on September 13, 2005 (incorrectly docketed as a response to an order). On September 14, 2005, the court ordered the claimant to show cause why the motion to compel should not be granted. (Doc. 35). The claimant has filed nothing in opposition to the motion to compel. Accordingly, upon consideration of the motion, and for good cause shown, it is

ORDERED that the motion to compel (doc. # 33) be and is hereby GRANTED and the discovery sought shall be produced to the United States not later than 10 days from the date of this order.

Done this 11th day of October, 2005.
